GRIMM AND COSSACK alfalfa, other than Registered Blue Tag, in most cases are produced from fields eligible for registry and trace their origin to fields registered at this time or to fields of the original planting.

SEED CLEANING

We have installed new seed-cleaning equipment which enables us to put out a superior product second to none. Eliminate waste and cut seeding costs by planting seeds with high purity and germination. Besides your yields will be larger than those of your neighbor who plants just any old seed.

All of our alfalfa seed was produced in the Black Hills districts of Montana, Wyoming and Dakota. All lots of alfalfa handled by us are verified as to origin by the U.S. Department of Agriculture.

All bags are sealed with tags showing complete analysis as to purity, germination.

TOP BRAND represents the highest quality obtainable, 99.25 Purity.

WESTERN BRAND is high quality, carefully selected and is a good value for the money. 99 per-cent Purity.

BUFFALO BRAND is the lowest in price consistent with desirable results. 98 per-cent Purity or better.
